PETITION UNDER 37 CFR § 1.47(b)

Dear Sir:

In connection with the Applicant's Response to the Notification of Missing Requirements mailed August 5, 2005, please consider the following petition:

The application lists one inventor: Jean-Stéphane Villers.

However, after a diligent effort, THOMSON, whom the petitioner represents, has been unable to obtain a signed Declaration from Jean-Stéphane Villers. THOMSON has obtained a signed Assignment of the invention from the inventor to THOMSON, which is attached hereto. The only information on file for Jean-Stéphane Villers is his last known address (listed below) and his current employer. As evidenced by the attached Declaration of Isabelle Thibaudeau, who is a person with first-hand knowledge of the factual events outlining attempts to obtain the inventor's signed Declaration, inventor Jean-Stéphane Villers is uncooperative.

The last known address of Jean-Stéphane Villers is:

16 Passage des Ballades, 95800 Cergy Pontoise, France.

In light of the petitioner's diligent attempts to obtain the signature of the inventor and, pursuant to 37 C.F.R. § 1.47(b), the petitioner requests that the referenced application be examined without the signed Declaration of Jean-Stéphane Villers.

While we believe that no fee is due with this petition, if any fees are due, please apply any charges not covered, or any credits, to Deposit Account 50-0591 (Reference Number 11345.120001).

Respectfully submitted,

A handwritten signature in black ink, appearing to be "Jonathan P. Osha", written over a horizontal line.
